ModePlusSM Vehicle Service Contract

Worry-Free Protection

With ModePlus Vehicle Service Contract (VSC) protection, you can enjoy your vehicle ownership and avoid unexpected, costly repairs. This protection will provide for the repairs of eligible parts, up to the contracts limits of liability, due to a mechanical breakdown during the term of your contract in the event of a mechanical failure.¹

In the event of a covered breakdown, your protection includes additional benefits such as:

- **Towing**
- **Car rental reimbursement**
- **Trip interruption reimbursement**

**Backup is
there when
you need it.**

With multiple contract lengths, you can select the VSC that best suits your needs and driving habits. Compared to the cost of major car repairs, it's just dollars a day for peace of mind. You can choose the terms of your agreement:

- 12 months/12,000 miles
- 48 months/48,000 miles
- 60 months/60,000 miles

¹A covered part that fails to perform as intended due to an internal mechanical or electrical defect, or fails to perform within manufacturer's specifications due to wear and use. A reduction in operating performance from wear and use is not covered unless the amount of wear and use exceeds manufacturer's specifications.

What's Covered
